EXPERIENCE

App Designer
Aug 2026 - Oct 2026

Personal project, California

- Designed and built an image compositing app for Shipaton hackathon
- Adapted elements of skeuomorphic design with Liquid Glass for a unique feel
- Optimized app for all device classes, including iPhone Duo
- In process of publishing to App Store, currently in beta on TestFlight

Yearbook Designer
Mar 2024 – May 2025

Global Indian International School · Edogawa-ku, Tokyo

- Led design and layout for the official school yearbook.
- Owned the visual theme and design language across all sections.
- Composited print-ready photos in coordination with the print vendor.
- Built an interactive online viewer for students without print copies.

School Newspaper Editor
May 2023 – May 2025

Global Indian International School · Edogawa-ku, Tokyo

- Inherited and maintained the publication's established style guides.
- Assigned, supervised, and edited writers' stories.
- Redesigned the news site around the school's official colors.
- Rebuilt the site with responsive, mobile-friendly layout.
